

Pedestrian Barrier

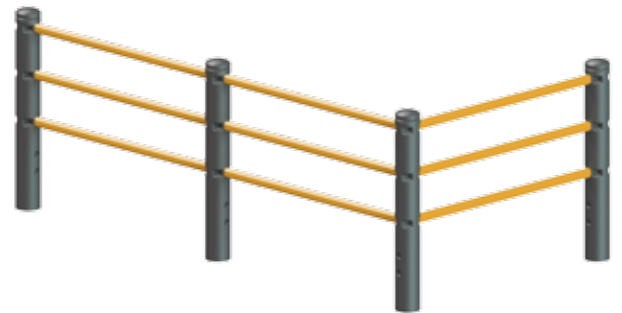

Asset protection starts with your people.

Your most important barrier is the one separating your workforce from the four-ton forklift careening across your warehouse floor. Our fully customizable system keeps your people safe and your business protected—with the most advanced protective system ever designed.

Energy Absorbing Design—Impacts are directed along the rails and into the concrete

Complete Protection—Post and rail system protects the entire area

Modular Design—Accommodates any space, regardless of size

Patents Pending
