

McCue Corporation

CartStop PC & Post

It's time to cover up...those unsightly pipe posts or concrete bollards. CartStop Post Covers are constructed of impact-resistant polypropylene and are available in a variety of great-looking colors. They're designed to cover your posts, while maintaining all the protection for your pipe or concrete bollards.

MAINTENANCE FREE: Impact-resistant polypropylene post covers never need painting and come in three standard colors.

SPEEDY INSTALL: No special tools needed. Just slip it over your steel or concrete bollards and you're good to go. Can be cut to size.

STRONG: CartStop Post is a core drilled bollard made from Schedule 40 Steel pipe and is available in 4.5" and 6.625" diameters (designed to be paired with CartStop PC).
