Nothing slows down productivity like hitting a one-ton steel column.

The modular, shock-absorbing assembly installs securely and cushions columns, equipment and drivers from impacts. Protect the structural integrity of your facility and the financial integrity of your business.

**Easy Installation** With 2 adjustable straps, no special skills or equipment required

**Adjustable Fit** Modular design fits a variety of column sizes

**Low Maintenance** Hi-visibility plastic requires no welding or painting
Column Guard

Column Guard:  
Materials: HDPE shell Column Guard, 2 straps  
CG-K-812-307

Column Guard Extender  
Materials: HDPE shell
