

The Bean[®] Child Carts

Shopping with kids can be a challenge. That's why we offer Bean child carts to make shopping safer, easier and more fun for your customers. With kids sitting pretty in child carts, mom and dad can focus on shopping and spending more in your store.

In fact, child carts have been proven to increase sales up to 20% per trip. Kids are able to have fun, mom and dad can focus on shopping, and when your sales are up, you'll feel a whole lot happier.

Kids remain entertained so parents shop longer.

Multiple basket sizes accommodate any store format.

Happy parents spend more time in your store.

Recessed seat and restraint belts help prevent children leaning out of the cab.

Custom color and graphics available for branding and entertainment.

Low-to-the-ground design helps prevent falling or tipping.

Rear wheel casters swivel for excellent maneuverability.
